

# Solving logistics' biggest bottleneck

PROBLEM

# Logistics companies burn money & lose business with their fixed fleet of trucks and trailers

## Logistics company A

Has unused trucks on the yard

Burns money in overhead & depreciation

## Logistics company B

Lacks trucks for potential job

Loses business

No cooperation

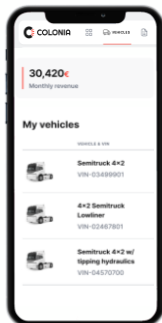

# Logistics companies win business with Colonia's sharing platform

## Logistics company A

Sublets trucks on Colonia platform

Makes recurring revenue every month

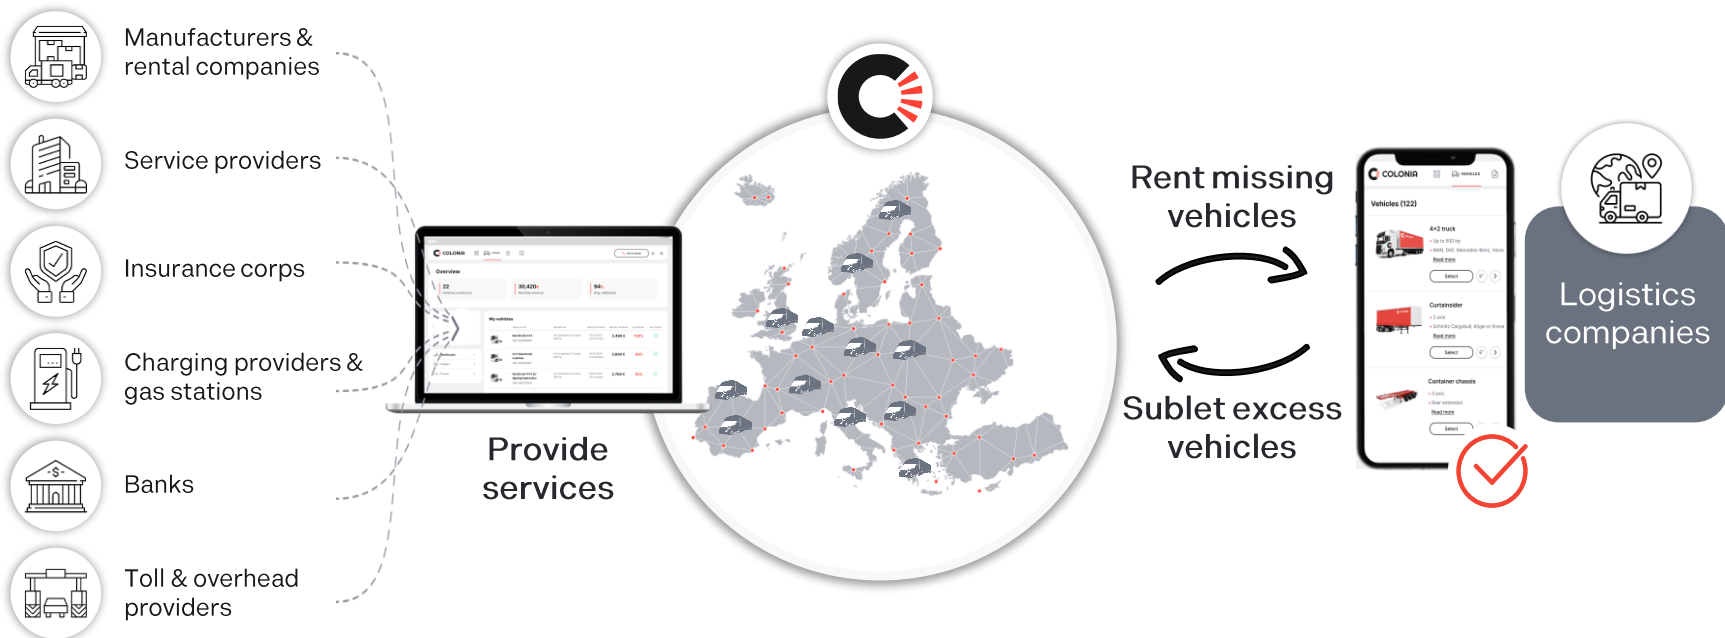

## Logistics company B

Rents trucks on Colonia platform

Wins business & makes money

# We empower logistics operators to win in business across Europe with our one-stop sharing platform

# Thank you!
