

# The data platform for future-proof **emissions** management

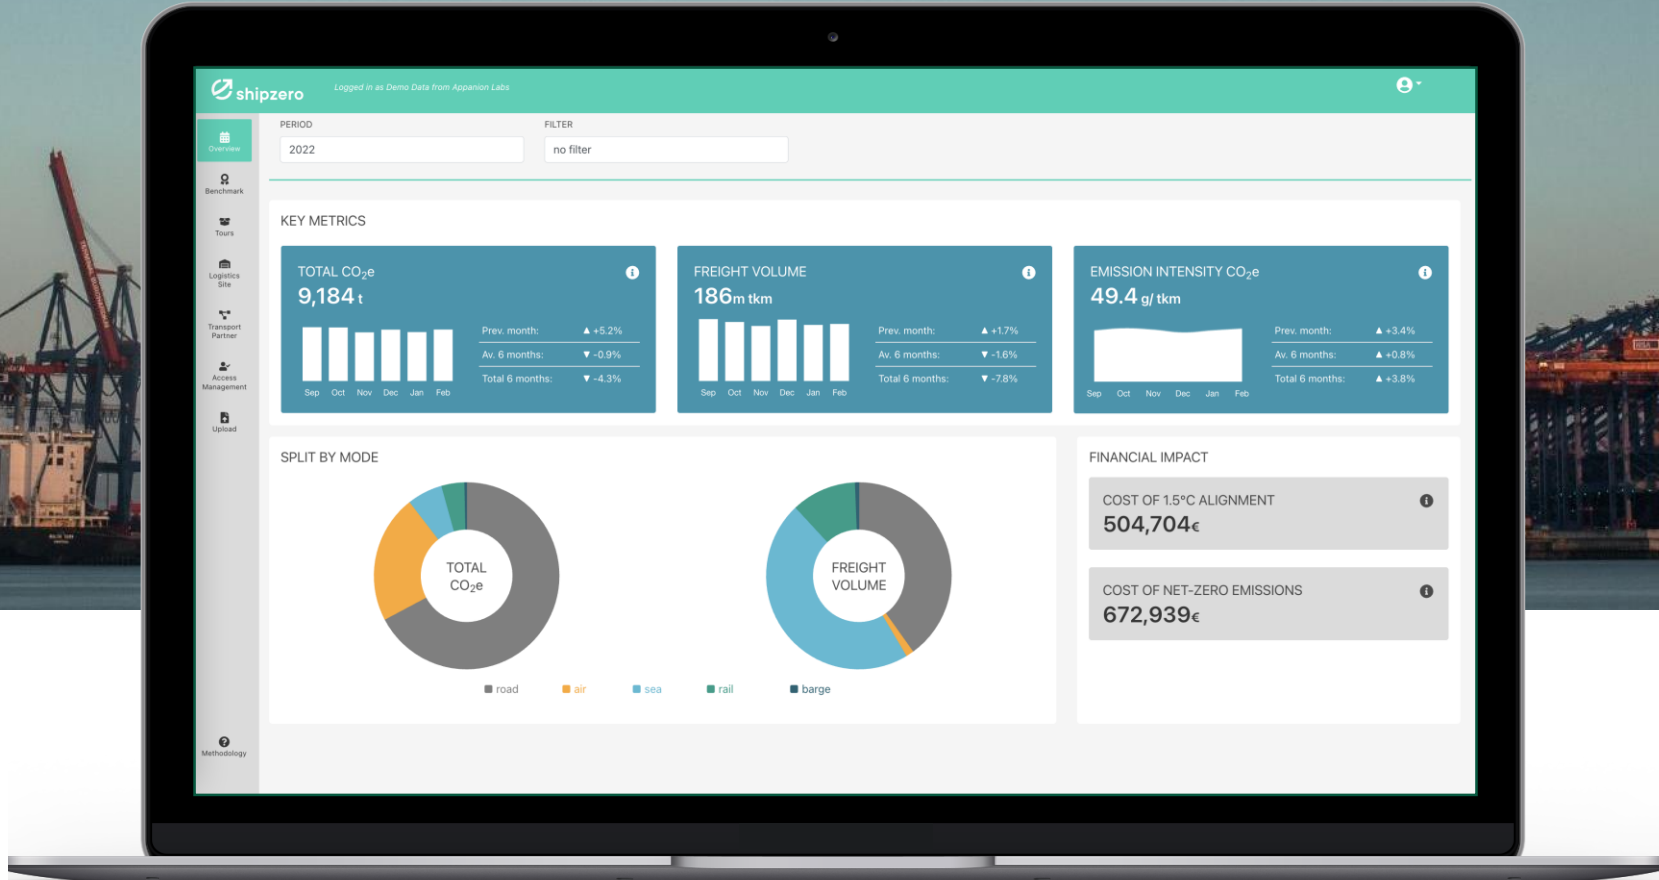

OUR MISSION

We enable effective  
**emission reduction** in  
global freight transport.

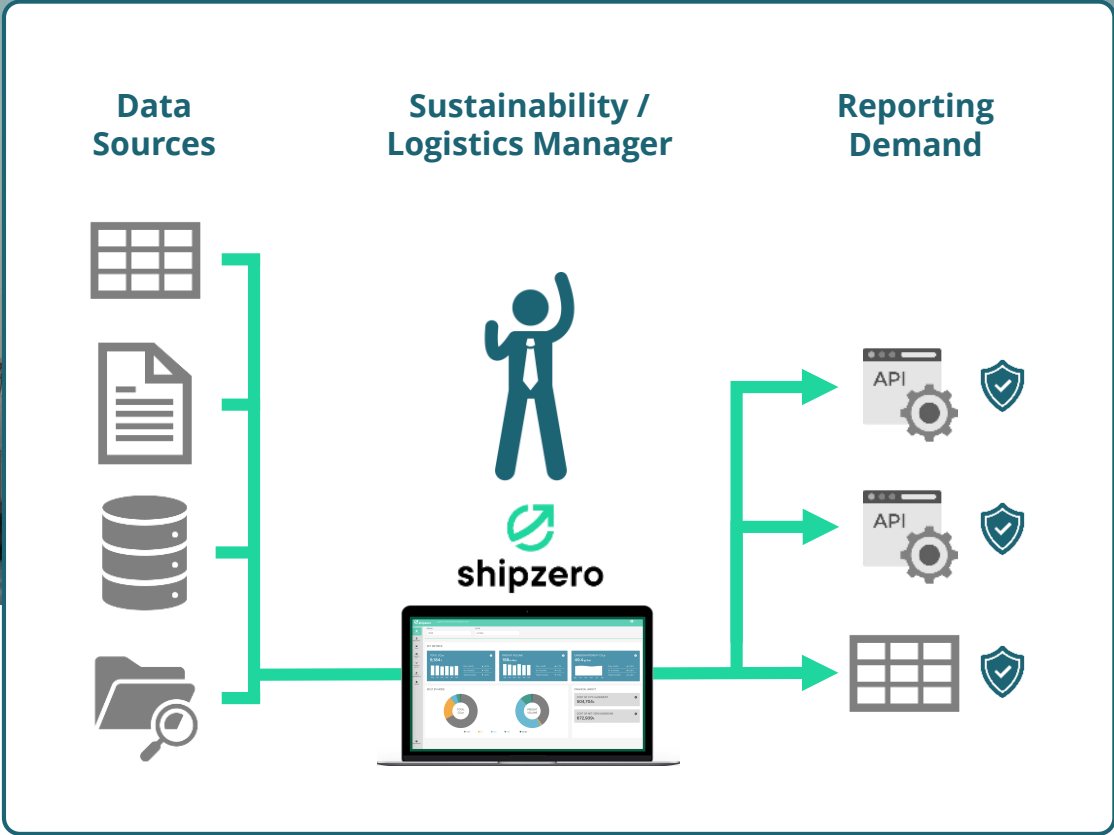

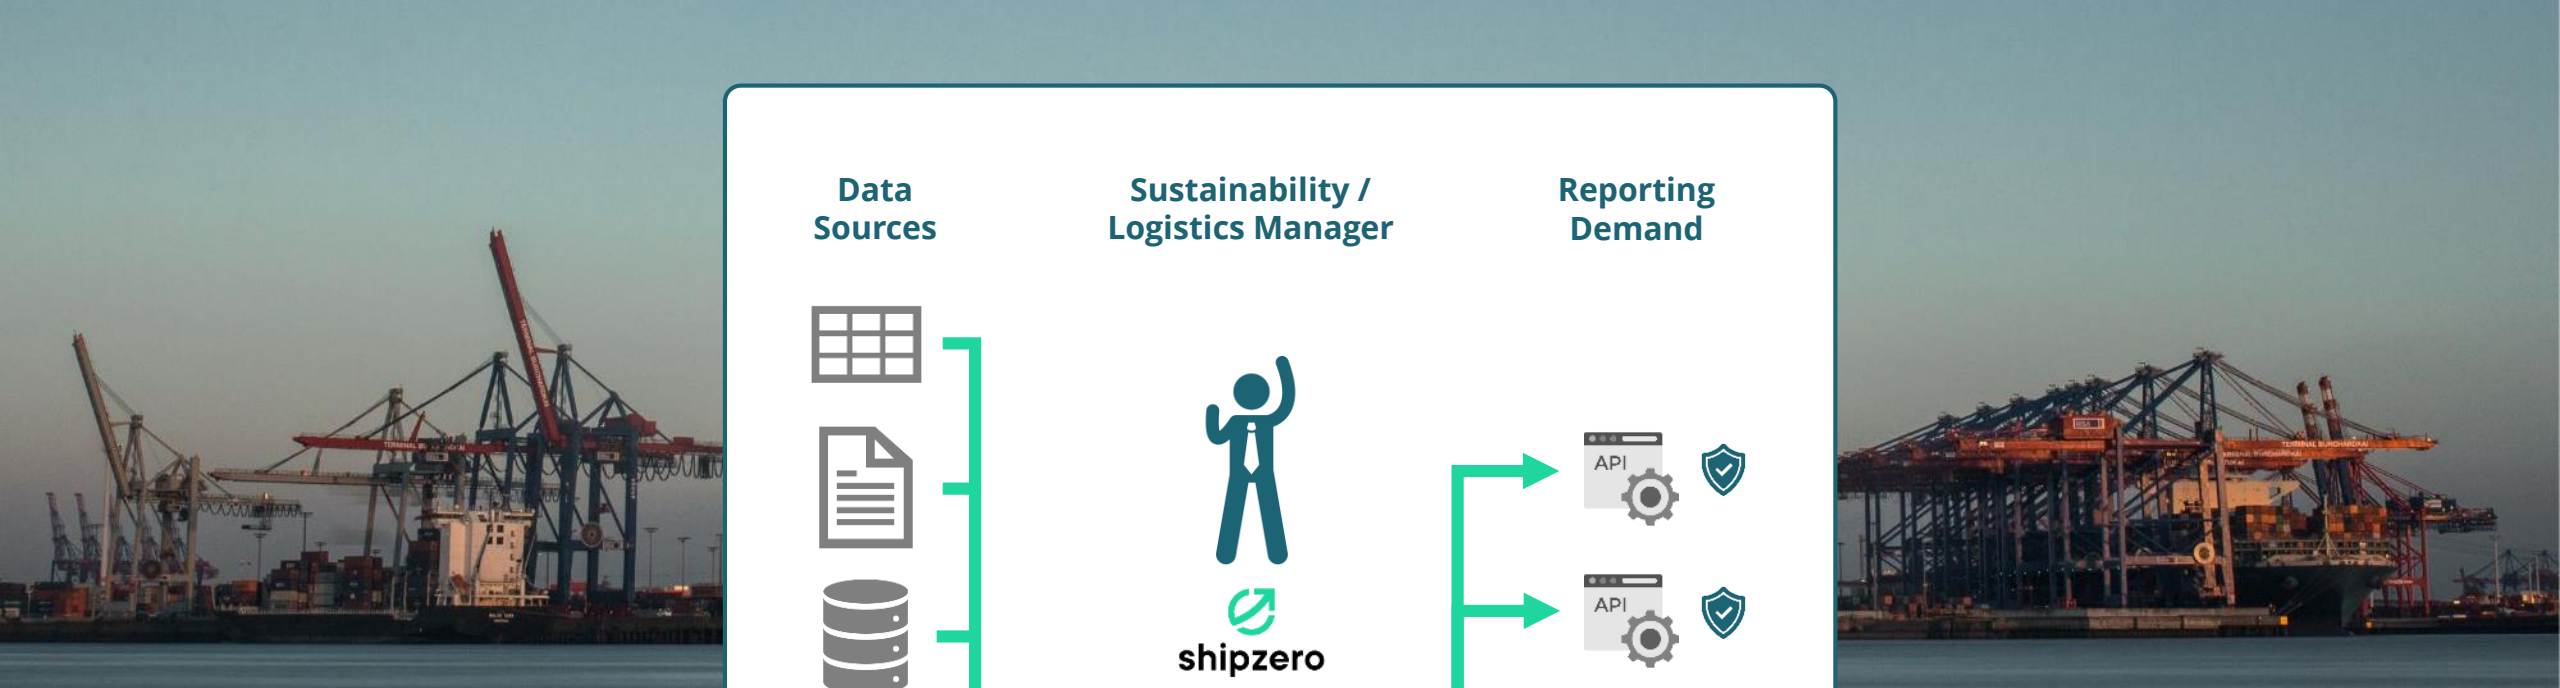

14083:2023

14083:2023

DRIVING AMBITIOUS CORPORATE CLIMATE ACTION

# Lanfer Logistik

Compliant emissions data  
for audits and client reports

# BLG Logistics

Emissions transparency  
in the automotive  
sector

# Weigand Transporte

Tank logistics specialist  
reaching accurate results  
with over 90% primary data

# Expedition Pflaum

Mixed fleet of +900 units using biofuels and BEVs

# Sovereign Speed

Decarbonization pioneer with complex pan-European network in express logistics

**SOVEREIGN**  
AHEAD OF TIME

You can't decarbonize alone,  
it takes a **net-zero movement**  
to succeed.
